

## **Measures we're taking to protect your health**

As a valued Roseville Cinema guest, I would like to update you on the precautions we are taking in light of the recent novel coronavirus (COVID-19) developments.

The health, safety and well-being of our employees and guests is Roseville Cinemas top priority and we are following the lead of Australian health authorities at this important time. We are committed to providing comfortable and safe entertainment experiences, and we have introduced a range of measures to help ensure our guests' and employees' safety at our cinema.

### **Cleanliness and hygiene**

Some of the measures we have undertaken include:

- Using a virus cleaning product on high touch-point areas and surfaces
- Regular seat cleaning between movie sessions
- Placing reminders in all of our toilet facilities about the importance of hand washing

We also ask for your support in keeping our cinemas clean and safe, and encourage you and all of our guests and employees to:

- Always practice good hygiene and wash hands frequently
- Place rubbish in the bin at the conclusion of sessions
- Cover coughs/sneezes and dispose of tissues
- Refrain from attending the cinema if feeling unwell to ensure a safe and comfortable experience for everyone
